## **1 YOUR CHOICE DISABILITY PLAN MANAGEMENT SERVICE OPTION(S)**

This Service Agreement is for a Participant on the NDIS (National Disability Insurance Scheme), and is made for the following services and supports:

- Plan Management** (our core service)
- Capacity Building in self-management and plan management** (optional support)

This Service Agreement is made for the purpose of providing supports under your NDIS plan. We agree that this service agreement is made in the context of the NDIS, which is a scheme that aims to:

- Support the independence and social and economic participation of people with disability, and
- Enable people with a disability, their families, and carers to exercise choice and control in the pursuit of their goals and the planning and delivery of their supports.

### **1.1 PLAN MANAGEMENT SERVICES (Core Service)**

**Plan Management – Financial Administration** funding applies to registered plan management providers who undertake financial administration of a NDIS plan on behalf of a participant. Plan management funding includes a fixed setup fee to establish the payment arrangements with providers and a fixed monthly processing fee.

This support assists a participant by:

- Providing increased control over plan implementation and utilisation with plan financial intermediary services.
- Managing and monitoring budgets over the course of the plan.
- Managing NDIS claims and paying providers for delivered services, where compliant invoices are provided.
- Maintaining records and providing regular statements showing the financial position of the plan.
- Provide access to a wider range of service providers, including non-registered providers whilst remaining in line with the price limits contained within the Price Guide.
- Provide you with access to support and coaching to help you maximise your NDIS Plan.

You can read the [NDIS Guide to Plan Management](#) for more information about our role.

## 1.2 CAPACITY BUILDING SERVICES (optional support)

Occasionally you may ask us to assist with other supports that are charged on an hourly basis and may include:

- Assisting with developing a plan for budgets and spending.
- Develop budgets for individual services within each category of your plan.
- Support you to build capacity and understanding in managing your plan.
- Provide you with training to prepare you to make better use of your plan managed plan or self-manage future plans.

Any of these **additional services will be agreed in advance** in terms of scope and cost. We have a “no surprises” policy.

## 2 MANAGEMENT OF INVOICES

Your Choice Disability Plan Management (referred to as YCDPM) will process invoices from your supports & services that:

- meet the guidelines of the Australian Tax Office (ATO) and NDIS
- are aligned with the goals and expectations of the NDIS plan
- have written approval or authority provided by an authorised NDIA delegate

The participant or their provider may submit a compliant tax invoice to [invoices@yourchoicedpm.com.au](mailto:invoices@yourchoicedpm.com.au) for processing.

Where plan funding is available YCDPM will notify you by automatically generated email that you have invoice/s for approval. This is managed within the MYP Dashboard Portal. To ensure prompt processing and accuracy of your invoice, please visit the dashboard upon notification and review, approve or reject your invoice prior to the auto-approval stage (around 10.00 pm WST the day following when you get an email that you have an invoice to approve).

**It is important for you to check the details of your invoices such as the provider, the services provided, the dates those services were provided, and the amounts charged as agreed between you and your provider.** If you wish to opt-out of the approval process, please notify our team. If you opt out, we will not be responsible for charges incurred where providers submit invoices for services not provided or provided in error, nor will we be responsible for charges incurred where providers submit invoices for services not provided or provided in error when an invoice auto approves.

Upon confirmation of a successful claim from the NDIA, the provider is paid the next business night in line with the payment obligations of a registered plan management provider.

### 2.1 GOODS AND SERVICES TAX (GST)

For the purposes of GST legislation, the parties confirm that:

- A supply of supports under this service agreement is a supply of one or more of the reasonable and necessary supports specified in the statement included, under subsection 33(2) of the [National Disability Insurance Scheme Act 2013](#) (NDIS Act), in your NDIS plan currently in effect under section 37 of the NDIS Act;
- Your NDIS plan is expected to remain in effect during the period the supports are provided; and
- You/your representative will **immediately** advise us if your NDIS Plan is replaced by a new plan, or you stop being a participant in the NDIS.

## 3 MONTHLY STATEMENTS

Participants and their nominated representatives shall receive a monthly budget by email where an email address has been provided. An Australia Post mailed copy of the monthly budget may be arranged with YCDPM on request.

Additionally, an up-to-date budget is available 24/7 on the MYP dashboard portal that you and your nominated representatives can be provided access to.

We recommend reviewing your monthly budget statement including invoices claimed, funding spent & balance remaining in your plan managed funding.
